This Terms of Service Agreement ("Agreement") outlines the terms and conditions governing your use of and participation in mygarage services.

Our services include our website, web widgets, feeds, mobile device software applications (collectively referred to as "motor africa Softwares"), applications for third-party websites and services, and any other mobile or online services and/or applications owned, controlled, or offered by Motor Africa (collectively referred to as the "Service"). This Agreement applies to all visitors, users, and others who access the Service.

Please read this Agreement carefully. You understand and agree that Motor Africa is not a party to any agreements entered into between drivers and hosts, nor is Motor Africa a transportation service, agent, or insurer. Motor Africa has no control over the conduct of drivers or hosts and other users of the Service and disclaims all liability in this regard. This Agreement contains a mandatory arbitration of disputes provision that requires the use of arbitration on an individual basis to resolve disputes, rather than jury trials or class actions, and also limits the remedies available to you in the event of a dispute.

We may modify or update this Agreement at our sole discretion from time to time. You should review this page periodically. If there are material changes to this Agreement, we will notify you either by prominently posting a notice of such changes prior to implementing the change or by directly sending you a notification. Your continued use of the Service after any such change constitutes your acceptance of the new Terms of Service. If you do not agree to any of these terms or any future Terms of Service, do not use or access (or continue to access) the Service.

The driver agrees to make the vehicle available for a mandatory inspection exercise at designated Motor Africa inspection centers in each city and an inspection fee applies. Other vehicle inspection rules include;

- 1. The system will immobilize the engine of the vehicle when assigned drivers don't show up for inspections.

Vehicle Repairs.

Every Host has the right to recommend a preferred mechanic workshop that a driver MUST patronize except in case of emergencies.

Vehicle Accident:

- In case of an accident, drivers are expected to take clear photographs
 of the vehicle and other vehicles involved in the accident with their
 plate numbers clearly visible at the scene of the accident. Failure to
 send the correct photographs for insurance purposes (except in
 cases of fatality) will make it difficult for the insurance companies to
 process the claim and that means the driver will take responsibility
 for the repairs.
- 2. The driver shall bear the cost of the police report to process the insurance claim.
- 3. The insurance company will bear the cost of the repairs (if the correct documentation is done) after an underwriting process is completed.
- 4. The contract with a driver with frequent accident incidents within a short period will be terminated.

Vehicle Theft.

In case of car theft, please remain calm and call the Motor Africa emergency numbers after which you report to the nearest police station.

Lease Termination.

In order to terminate a lease plan on any vehicle facilitated through Motor Africa, the driver is required to send an email notification to support@motorafrica.co

When a request for termination is made, a vehicle inspection will be carried out to ensure that the vehicle is in good condition and meets the standards set by the host. If any defects are found that are the responsibility of the driver, the cost of repairs will be deducted from the driver's security deposit. The remaining balance will be refunded to the driver within 20 working days.

Dispute resolution.

In the event of any disputes, differences, and/or claims arising from this agreement, the primary resolution will be sought in a court of law. However, the manager reserves the right to employ alternative resolution mechanisms if it is deemed to serve the best interests of all parties involved.

Both parties involved hereby irrevocably and unconditionally agree to submit any such disputes for arbitration, as governed by the Arbitration and Conciliation Act, Cap A18 LFN 2004. This agreement is governed by and will be construed in accordance with, the laws of the Federal Republic of Nigeria.

The place of arbitration will be in Abuja, Nigeria, and the proceedings will be conducted in English. It is agreed upon that the cost of arbitration will be borne solely by the party found to be at fault.

Both parties hereby acknowledge that this agreement has been thoroughly explained to them. They have understood the meaning of all its clauses and have signed this agreement with a full understanding of the obligations contained within it.

IN WITNESS WHEREOF, the parties have hereunto set and subscribed their hands on the date and year above mentioned.
